B.F.A. Theatre- Scenic Design	University of Miami	Coral Gables, FL	2009-2011
A.A. Technical Theatre	Broward College	Davie, FL	2006-2009

TEACHING EXPERIENCE

Barry University <i>TH 111, 211, 311- TECH THEATRE LAB-</i>	Adjunct Professor Instructed, scheduled, supervised and evaluated undergraduate students enrolled in Tech Lab courses. Instruction included proper tool usage, scenic construction, and scenic paint techniques as well as training in light hang, circuiting and focus. <i>TH 300- PRINCIPLES OF STAGE MANAGEMENT-</i> Instructed and evaluated undergraduate students the fundamentals and practice of stage management as it pertains to theatrical productions. This included a study of stage management responsibilities and procedures from pre-production, rehearsals, technical rehearsals, performances, and post production.	January 2018- Present
Barry University	Assistant Technical Director & Designer Instructed, scheduled & supervised undergraduate students enrolled in Tech Lab courses. Instruction included proper tool usage, scenic construction, and scenic paint techniques as well as training in light hang, circuiting and focus.	November 2012- Present
Florida Atlantic University	Graduate Teaching Assistant Instructed and supervised undergraduate students enrolled in Tech Lab courses. Instruction included proper tool usage, scenic construction, and scenic paint techniques.	August 2015- July 2017
Coral Springs Institute	Art Instructor/Properties Instructed summer camp students ages 5-13 in the basics of prop and costume construction. Guided students through the inventive design, material selection and building methods of the props and costumes used for the production. Focus and approach was centered around creativity, self-expression and problem solving.	Summer 2008-Summer 2010
